Section 1 - Overview; Use of the Services

a.) In order to use the App, you will create a TommyClub Membership (“**Membership**”) User Account (“**Account**”), and select one of the following: (i) a monthly Unlimited Club Subscription Membership (“**Subscription**”; see Section 2), (ii) a PayPerWash pay as you go Membership (“**PpW**”; see Section 4), or (iii) a Fleet and Business Account (“**FBA**”; see Section 7), each of which will allow you to use the App lanes at any Tommy’s location to access the car wash services (including both exterior and interior clean services) provided by Tommy’s and each Operator (the “**Services**”). When you create an Account, we will collect your personally identifiable information, which is subject to our Privacy Policy incorporated herein. Please review our [Privacy Policy](#) to understand our practices.

b.) Your selected Membership may be used at any Tommy’s location. Visit tommys-express.com/locations/ for a complete list of retail outlets.

c.) While using the App, you will select a Wash Plan (i.e., Quality, Super, Ultimate, Works, Interior Clean (see Section 8 below)) for each vehicle that specifies which wash features you will receive when you visit a Tommy’s with that vehicle.

d.) You may add multiple vehicles to your Account, with each vehicle having its own Membership and Wash Plan. Vehicles can be added via the “My Garage” section of the App.

e.) Tommy’s and its Operators use License Plate Reader (“**LPR**”) technology to identify vehicles and activate Wash Plans on behalf of the user. You agree to allow Tommy’s Express and the Operators to recognize and log your license plate number, and to collect, store, and use the personal information obtained through this App and your use of any Tommy’s Express car wash in accordance with Tommy’s Privacy Policy. The use of LPR technology may be regulated or limited by federal, state, or local laws. You agree to hold Tommy’s and its Operators harmless from any claim that its use of LPR violates any applicable laws or regulations. License plate swapping (using a single plate swapped between vehicles to wash multiple vehicles under Account) is fraud and may result in a loss of your Membership and a ban from all Tommy’s locations, with no refunds.

f.) Prices for monthly Subscriptions and PpW single washes are set by either Tommy’s or an Operator for their participating location. Pricing is posted at such location and in the App and is subject to change.

g.) Tommy’s or any Operator may increase Subscription rates upon 30 days advance notice by either the Operator posting at its location or Tommy’s sending notice to the email you have on file in the App. Notwithstanding the foregoing, Tommy’s reserves the right to change the Subscription rate(s) for a Subscription to include tax or to reflect tax law changes with respect to any location at any time.

h.) You can change or update your contact information at any time via the App. It is your responsibility to make sure your contact information is kept up to date in the App to ensure the receipt of Subscription pricing changes and other notifications.

i.) Promotional Subscription or promotional PpW pricing may be limited to specific Tommy's locations. Pricing and participation may vary.

j.) Tommy's and/or the Operator of any Tommy's location reserves the right to close a location (either temporarily or permanently) for any reason, in its sole discretion.

k.) You must be at least 18 years of age to use the App or create a Membership. Persons under 18 may access the App only through the parent or legal guardian's Account.

l.) Paid fees are nonrefundable and there are no refunds or credits for partially used plan periods. Accounts with little or no usage in a given month are not entitled to refunds or credits. Any refund, discount, or other consideration to some or all of our guests is at our sole and absolute discretion in accordance with applicable law.

Section 2 – Subscription (Unlimited Club Subscription Membership) Terms and Conditions

a.) By selecting the 'Unlimited' option in the App, you are registering for an automatic and recurring monthly Subscription for unlimited car washes at a selected Wash Plan. The Subscription uses LPR technology to allow you to use the App lanes to wash your vehicle and receive your selected Wash Plan automatically.

b.) You will be charged a monthly Subscription fee based on the Wash Plan you have selected ("**Subscription Fee**").

c.) The Subscription Fee will be an automatic and recurring monthly charge to your current, valid, accepted debit or credit card provided that you deliver through your Account, as may be updated from time to time ("**Payment Method**"). Learn how to manage or change your Payment Method [here](#).

d.) The Subscription Fee will be charged on the date you activate your Subscription, or if you subscribed using a promotional code or Gift Card (see Section 5, below), from the date the promotional or pre-paid Gift Card period expires.

e.) The Subscription will automatically renew every month and the Subscription Fee will be charged to your Payment Method each month on the renewal date.

f.) The Subscription cannot be combined with any other programs or discounts, including, but not limited to, pre-paid washes, vouchers, house accounts or coupons.

g.) The Subscription does not apply to special events.

h.) Promotional Subscriptions may be limited to single Tommy's locations. Pricing and participation may vary.

i.) Entering a promotional code will register you for an automatic and recurring monthly Subscription once the promotional period expires. Promotional Subscriptions must be deactivated prior to the monthly renewal date in order to prevent an automatic renewal and avoid a charge.

j.) Should you elect to upgrade your Wash Plan during a billing cycle, you will immediately be billed the pro-rated difference in the Wash Plan price based on the days remaining in your current billing period. Should you elect to downgrade your Wash Plan, you will continue to wash at the higher Wash Plan for the remaining portion of your billing period, and the new downgraded Wash Plan will take effect with the next billing period. Learn more about upgrading [here](#).

k.) You may transfer your Subscription to another vehicle. Transfers are only allowed once in a 30-day period. Learn more about transfers [here](#).

l.) In the event there is a problem with your Payment Method, your Subscription will be halted immediately, and you will no longer be able to use the App lanes for automatic access and must use the Cashier Lane for future washes. If Tommy's can collect payment for your Subscription within 10 days after being halted, your Subscription will continue with your current Subscription renewal schedule. If Tommy's is not able to collect payment for your Subscription after 10 days from the halted date, your Subscription will be automatically deactivated. Paid fees are nonrefundable, and you are not entitled to refunds or credits in the event that your Subscription is halted pursuant to this section.

m.) You may cancel your Subscription at any time and stop future automatic monthly renewals using the App. You must cancel a car wash plan at least five business days before it renews in order to avoid automatic billing to your Payment Method for the Subscription Fee for the next monthly billing cycle. You will need to repeat the cancellation process for each vehicle within your Account. You will receive a cancellation confirmation email for each canceled Subscription. Once canceled, you will be able to

continue washing for the remainder of your pre-paid Subscription period and no automatic renewal will take place. Learn more about canceling [here](#).

n.) Cancellation of your Subscription cannot be processed by verbal directives given to on-site staff. Cancellation must be processed through the App or by contacting Tommy's Guest Services Team (contact information available [here](#)). If you request cancellation of your Subscription outside of the App, a minimum of five (5) business days is required for processing such request.

o.) Once you have canceled a Subscription, you will no longer be able to use the App lanes for automatic access following the expiration of any period for which you have prepaid, and you must use the cashier lane available at each location for future washes.

p.) You may "Pause" your Subscription for intervals of 30, 60, and up to 90 days in the App. Longer Pause periods are available by visiting your local Tommy's location. Your Subscription will automatically restart after your selected Pause period has expired. Learn more about pausing your Subscription [here](#).

Section 3 - FREE Month Promotion

a.) New users of the App are offered a FREE trial month for their first vehicle when signing up for a Subscription through the App (the "**FREE Month**"). The FREE Month offer is only available if you have never previously signed up for a Subscription through the App and does not apply to users signing up for a Subscription through the Site.

c.) The FREE Month promotion is subject to change.

Section 4 – PayPerWash (PpW) Membership Terms and Conditions

b.) The Payment Method on file in your Account will be charged for every car wash you purchase. A purchase is counted when your vehicle is recognized by the LPR system, and the entrance gate is opened at the wash site.

c.) For each wash, your Payment Method is charged at the price of a single wash in the Wash Plan you have selected on the App.

d.) Wash prices may vary depending on car wash location and local sales tax laws. Please review posted wash prices prior to entering the wash lanes. By entering the wash lanes

and allowing your car to be recognized using LPR, you are agreeing to pay the price of a single car wash posted at that location for the Wash Plan you have selected on the App.

e.) Each vehicle in your Account is charged separately for each wash as they occur.

f.) You may select a different Wash Plan in the App at any time; however, it may take up to 5 minutes for your selection to become active. Until that time, you will receive the Wash Plan previously selected.

g.) In the event Tommy's does not receive payment from you for any reason, including but not limited to card expiration, non-sufficient funds, declined charge, or change in Payment Method information, your Account will be placed on hold, and you will not be able to wash your vehicle until the payment issue is resolved.

h.) Because Tommy's gift cards are pre-paid, time-based (monthly) packages, adding a gift card to your Membership will convert your Membership from a PpW Membership to a Subscription Membership. Please see Section 2 (Subscription (Unlimited Club Subscription Membership) Terms and Conditions) for more information.

i.) As a new PpW Member in the App, you will be offered a single free wash, limited to one vehicle. This offer is only available to new App users who have not previously set up an Account in the App. If you have created a PpW or Subscription Membership at any point and currently have an active, paused, or canceled Membership, you are not eligible to receive the free wash promotion. This promotion is available at participating locations only and is limited to one vehicle.

j.) You may cancel your PpW Membership at any time and stop future automatic payments by canceling the PpW Membership in the App. Once canceled, you will no longer be able to use the App lanes for automatic access and billing and must use the Cashier lane for future washes.

b.) The Payment Method on file in your FBA will be charged once a week for every wash purchased for any of the vehicles registered on your FBA. A wash purchase is counted when one of the vehicles registered on the FBA is recognized by the LPR system and the entrance gate is opened at the wash site.

c.) Your Payment Method is charged at the price of the Wash Plan you have selected for each vehicle.

d.) You will receive a discount based on the total number of washes by all vehicles registered to the FBA. Discounts are applied to your next billing cycle. Please refer to the website at www.tommys-express.com/fleets for more details.

e.) Wash prices may vary depending on car wash location and local sales tax laws. Please review posted wash prices prior to entering the wash lanes. By entering the wash lanes and allowing a vehicle registered to your FBA to be recognized using LPR, you are agreeing to pay the price of the car wash posted at that location for the Wash Plan you have selected on the App.

f.) In the event there is a problem with your Payment Method, your Account will be placed on hold, you will no longer be able to use the App lanes for automatic access, and you must use the Cashier lane for future washes until the payment issue is resolved.

g.) You may cancel your FBA Membership at any time and stop future automatic payments by canceling the Membership in the App or by calling guest services as set forth in these Terms. A final charge will be assessed to the Payment Method for any washes that occurred after the most recent payment and prior to your cancellation. You will need to repeat the cancellation process for each vehicle registered to your FBA. You will receive a cancellation confirmation email for each canceled Membership.

Section 7 – Referral Program

a.) You may receive a credit ("**Referral Reward**") for every person who signs up for a new Subscription (as defined in Section 2 above) using a unique referral code shared by you (a "**Referral**") and completes their first payment on their Subscription. Referral Rewards will expire after one (1) year. Referral Rewards have no cash value and may not be traded or sold.

b.) Any spamming or bulk distribution of invitation links; the selling, trading, or bartering of anything of value for a Referral; all fraud or attempted fraud; and any other misuse or abuse of the Rewards Program, as determined by Tommy's, shall result in the forfeiture of any Referral Rewards improperly received and disqualification from the Rewards Program.

c.) Tommy's reserves the right to modify or discontinue the Rewards Program at any time.

Section 8 – Interior Clean Terms and Conditions

a.) At participating locations, Tommy's and/or its Operators may offer its interior clean service to customers through separate interior cleaning facilities. The interior clean service includes the cleaning and detailing of the interior of your vehicle.

b.) The interior clean service is offered as either an unlimited, recurring monthly subscription ("**Interior Clean Subscription**") or on a "pay as you go" basis ("**Interior Clean PpW**"), both of which utilize LPR technology for vehicle recognition. If you select the Interior Clean Subscription, your Interior Clean Subscription will automatically renew every month, and the fee will be an automatic and recurring monthly charge to your Payment Method. If you select the Interior Clean PpW, the Payment Method on file in your Account will be charged for every interior clean service you purchase. In the event Tommy's does not receive payment from you for any reason, including but not limited to card expiration, non-sufficient funds, declined charge, or change in Payment Method information, your Account will be placed on hold, and you will not be able to utilize the interior clean service until the payment issue is resolved. You may cancel your Interior Clean Subscription or Interior Clean PpW at any time and stop future automatic payments

by canceling the Interior Clean Subscription or the Interior Clean PpW in the App. Once canceled, you will no longer be able to use the App lanes for automatic access and billing.

This includes the right to cancel any membership at any time, for any reason. However, Tommy's and its Operators will not refuse to provide Services or cancel memberships based on any legally protected characteristics.

b.) *Dispute Resolution.* Except for disputes that qualify for small claims court, all disputes arising out of or related to this Agreement, the provision or receipt of Services, or any aspect of the relationship between you, on the one hand, and Tommy's or an Operator, on the other hand, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory, will be resolved through final and binding arbitration before a

neutral arbitrator instead of in a court by a judge or jury and you agree that Tommy's and you are each waiving the right to trial by a jury. You agree that any arbitration under this agreement will take place on an individual basis; class arbitrations and class actions are not permitted, and you are agreeing to give up the ability to participate in a class action. The arbitration will be administered by the American Arbitration Association ("AAA") under its Consumer Arbitration Rules. The arbitrator will conduct hearings, if any, by teleconference or videoconference, rather than by personal appearances, unless the arbitrator determines upon request by you or by us that an in-person hearing is appropriate. Any in-person appearances will be held at a location which is reasonably convenient to both parties with due consideration of their ability to travel and other pertinent circumstances. If the parties are unable to agree on a location, such determination should be made by the AAA or by the arbitrator. The arbitrator's decision will follow the terms of this Agreement and will be final and binding. The arbitrator will have authority to award temporary, interim or permanent injunctive relief or relief providing for specific performance of this Agreement, but only to the extent necessary to provide relief warranted by the individual claim before the arbitrator. The award rendered by the arbitrator may be confirmed and enforced in any court having jurisdiction thereof. With the exception of any of the language above in this dispute resolution provision relating to the waiver of class and representative actions, if a court decides that any part of this dispute resolution provision is invalid or unenforceable, the other parts of this Dispute Resolution provision shall still apply. If a court decides that any aspect of the language above in this dispute resolution provision relating to the waiver of class and representative actions is invalid or unenforceable, then the entirety of this Dispute Resolution provision shall be null and void. The remainder of the Agreement will continue to apply and be unaffected by this severability provision. If you pursue a claim in a manner that is contrary to this dispute resolution provision, such as filing a claim in court, you agree to reimburse Tommy's for all attorney fees and other expenses incurred as a result of your noncompliance.

c.) *Governing Law; Forum.* This Agreement and all matters related to our relationship with you shall be governed by and construed in accordance with the laws of the State of Michigan without regard to choice-of-law principals or conflict-of-law provisions. Without waiving the mandatory arbitration provision contained herein, you agree that any claim or dispute shall be resolved in the state trial courts located in Ottawa County, Michigan or any appellate courts having jurisdiction over such trial courts.

e.) *Google Play*. By downloading the App from Google Play (or its successors) operated by Google, Inc. or one of its affiliates ("**Google**"), you specifically acknowledge and agree that:

- To the extent of any conflict between (a) the Google Play Terms of Services and the Google Play Business and Program Policies or such other terms which Google designates as default end user license terms for Google Play (all of which together are referred to as the "**Google Play Terms**"), and (b) the other terms and conditions in these Terms, the Google Play Terms shall apply with respect to your use of the App that you download from Google Play, and
